

DSDiMAGE

Your true image since 1980

The leading French **manufacturer for industrial and promotional plastic-made** (PVC, polypropylene ...) products, **100% recyclable**.

Located in the vineyards of Bergerac (south-west of France), we are proud of our local roots and combine economic growth with social and environmental values.

DSD Image supports the Global Compact:
www.unglobalcompact.org

The United Nations Global Compact is a strategic policy initiative for businesses that are committed to aligning their operations and strategies with ten universally accepted principles in the areas of human rights, labour, environment and anti-corruption.

at a glance

DSDiMAGE offers you **complete, innovative and tailored solutions** to promote **your image**, through a range of **100% recyclable** materials.

We master the whole process, from the designing to the packaging of your products. Our experience, our **renowned quality for manufacturing and printing**, as well as our know-how since 1980, have built up our position of **leader** in this market.

We are your indispensable partner for all your needs and our customer-oriented mindset allows us to **give life to your desires**.

Our 20,000 square meters production plant, located in Bergerac (Dordogne, south-west of France), allows us to be responsive and to adapt to **your most advanced requirements**, whether you're a small business or a multinational.

Because **you're the centre of our strategy**, **DSDiMAGE** has never and will never compromise on the quality of your products or on its **social and environmental values**.

Since its inception, more than 30 years ago, **DSDiMAGE**:

- maintains a very close partnership relations with the «White Butterflies of Bergerac» (more than 180 disable workers), which aims at facilitating integration into the mainstream labour market for people with disabilities,
- recycles all of its materials, intermediate products and semi-finished products (60 tons of plastic and 10 tons of cardboard each year),
- is proud of its local roots and participates in the development of its region,
- remains true to its values: **integrity, respect** for employees and the environment, **listening** to the customer, combining economic development of the company with a responsible attitude towards the environment.

NEW !

DSDiMAGE is the only one to offer its entire range of products with phthalate-free PVC and bio-plastics (65% of components coming from renewable sources). All our products are **100% recyclable**.

We are one of the very few to guarantee you products **100% made in the European Union**.

YOU HAVE THE CHOICE

All our raw materials come from European suppliers selected for the **quality of their products**.

With **DSDiMAGE**, you can choose the material that will produce the best effect, according to many criteria:

- ▣ **colour:** plain or printed patterns
- ▣ **thickness:** from 0.05 to 1 mm
- ▣ **type:** expanded (foam), opaque, crystal (clear) or fabric-based PVC (NEW!)
- ▣ **appearance:** smooth, with grain, gloss, matt
- ▣ **touch:** cloth, leather, velvet, gummed
- ▣ **holding:** flexible, rigid

It is also possible to create a pattern by selecting the colour and size of the pattern, so **you will always** find the material that matches your image.
